14<sup>th</sup> September 2020

### Launch of [www.baduriya.com](http://www.baduriya.com)

It is with great pleasure, we announce the official launch of the revamped website of Baduriya College - [www.baduriya.com](http://www.baduriya.com). This was official launched today 14<sup>th</sup> September 2020 at the college premises with the presence of Principal, Staff, Students, SDC, OBA and OGA members.

A well-structured website is a long waited requirement of the college. It is a historical moment for all of us. The project has been exclusively handled by the present Excom of the College Old Boys Association. (2015-2020)

**Very basic information has been entered to the website, from today the site will be solely managed by the college media unit. The contents will be fully monitored and controlled by the college principal and teachers in charge of the media unit.**

We hope the new design, features and information on the site will be a fresh experience for the visitors.

We take this opportunity to express our gratitude to all Principal, SMT, Staff, SDC, OGA, OBA Colombo branch, PPA and all our old boys for extending their support for this project. Our special thanks go to our old boy Mr. Kashif Ahamed - MBCS(UK) BSc (Hons) Computer Science, who extends his fullest support in the entire revamping process of this site.

**Please bring your suggestions and valuable thoughts to the attention of the college Principal for any improvement.**

**“Let us make our mother Baduriya proud as one team.”**
